

## **SAFETY DATA SHEET**

<b>1. Product identification:</b>	<b>Giardia Positive Control</b> <b>Code: C-1093</b>		
<b>1.1. Trade name:</b>	Giardia Positive Control		
<b>1.2. Supplier or Manufacturer:</b>	CORIS BioConcept, 4A, rue Jean Sonet, B-5032 GEMBLOUX Belgium. Ph1: +32/81 719 917; Fax: +32/81 719 919; E-Mail: <a href="mailto:info@corisbio.com">info@corisbio.com</a> - Web Site: <a href="http://www.corisbio.com">http://www.corisbio.com</a>		
<b>1.3. Kind of use for details, see insert:</b>	For Giardia Respi-Strip		
<b><u>2. Composition, information on ingredient</u></b>			
<b>12.1. Classification:</b>	Mixture		
<b>2.2. Composition:</b>	Protein buffered solution containing anti-mouse IgG and bacteriostatic agents.		
<b>2.3. Content:</b>	Anti Mouse IgG		
<b>Hazardous substance :</b>			
<b>Name :</b>	<b>CAS/EINECS</b>	<b>CONCENTRATION</b>	<b>R/S Phrases (at conc. Used)</b>
5-Chloro-2-methyl-4-isothiazolin-3-one	26172-55-4	<20 ppm (total)	non hazardous
2-methyl-4-isothiazolin-3-one	2682-20-4	<20 ppm (total)	non hazardous
Other ingredients	-	<0.01%	non hazardous
When an ingredient in the mixture is not listed as hazardous substance, this means that the substance has not been classified by the European Communities legislation on dangerous substances. This does not mean that it has no hazardous properties: please refer to the following recommendations and precautions for maximum safety when using this product.			
<b>Other information:</b>	Does not contain any material from bovin origin		
<b><u>3. Health hazard data/risk identification:</u></b>			

<b><u>Main exposure risks and symptoms:</u></b>	<p>May be irritant to eyes and skin</p> <p>Contact with eyes: Irritation. Tears.</p> <p>Contact with skin: Irritation.</p> <p>Ingestion: Although not considered particularly toxic or dangerous upon ingestion in conditions.</p>
<b><u>4. Emergency and first aid procedures</u></b>	
<b><u>4.1. Contact with eyes:</u></b>	Immediately flush eyes thoroughly with water.
<b><u>4.2. Contact with skin:</u></b>	Immediately wash skin with soap and large volume of water.
<b><u>4.3. Ingestion:</u></b>	If swallowed, wash out mouth with water provided the person is conscious; seek medical advice (showing this document when possible); never give anything by mouth to an unconscious person; never try to make an unconscious person vomit.
<b><u>5. Fire hazard data</u></b>	
<b><u>5.1. Flammability:</u></b>	Non combustible
<b><u>5.2. Extinguishing:</u></b>	Water, carbon dioxide, dry chemical powder or polymer foam. Use extinguishing media appropriate to surrounding fire conditions.
<b><u>5.3. Special Fire Fighting procedures:</u></b>	For fires involving this material, do not enter any enclosed or confined fire space without proper protective equipment. This may include self-contained breathing apparatus to protect against the hazardous effects of normal products of combustion or oxygen deficiency.
<b><u>6. Accidental release measures</u></b>	
<b><u>6.1. Precautionary measures:</u></b>	Wear appropriate protective clothing (refer to point 8).
<b><u>6.2. Environment precautions:</u></b>	Avoid flushing away in drainpipes.
<b><u>6.3. Released or spilled material:</u></b>	Sweep up and collect in appropriate container for waste disposal (refer to point 13) clean the floor and all other contaminated objects with water.
<b><u>7. Handling and storage</u></b>	
<b><u>7.1. Handling:</u></b>	Wear appropriate protective clothing (refer to point 8); eliminate rapidly from eyes skin and clothes; wash hands and any other exposed zone with water and mild soap before eating, drinking, smoking and leaving workplace.
<b><u>7.2. Storage:</u></b>	Store in a cool dry place.
<b><u>7.3. Additional information:</u></b>	Refer to point 10.
<b><u>8. Exposure controls and personal protection</u></b>	
<b><u>8.1. Hands protection:</u></b>	Laboratory gloves.
<b><u>8.2. Skin protection:</u></b>	Laboratory coat.

<b><u>8.3. Eyes protection:</u></b>	Safety goggles.
<b><u>8.4. Ingestion:</u></b>	Do not eat, drink or smoke during use.
<b><u>9. Physical and chemical properties</u></b>	
<b><u>9.1. Form:</u></b>	Liquid.
<b><u>9.2. Color:</u></b>	Orange-Brown.
<b><u>9.3. Smell:</u></b>	Typical.
<b><u>9.4. pH:</u></b>	6.80 - 7.00
<b><u>10. Stability and reactivity data</u></b>	
<b><u>10.1. Dangerous reaction:</u></b>	Particular dangerous reactions not known.
<b><u>10.2. Dangerous properties:</u></b>	Particular dangerous properties not known.
<b><u>10.3. Hazardous combustion or decomposition products:</u></b>	Nature of decomposition products not known.
<b><u>11. Toxicological information</u></b>	
Data not available.	
<b><u>12. Ecological information</u></b>	
Data not available.	
<b><u>13. Disposal considerations</u></b>	
Contact a licensed professional waste disposal service to dispose of this material. Observe all federal state and regulations. Emptied bottles and vials may retain product residues: handle as if they were full.	
<b><u>14. Transport information</u></b>	
Not classified.	
<b><u>15. Regulatory information</u></b>	
From the European Communities legislation on dangerous substances up to and including EC Council Directive 96/54/EC, this product is not hazardous and does not contain hazardous ingredients at concentrations used.	
<b><u>Other information:</u></b>	Contents and format of this Safety Data Sheet comply with the EC Council Directive 93/112/EC. The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Coris BioConcept shall not be held liable for any damage resulting from handling or from contact with the above product. <b>Fo-7.5-01-93-H Rév. 01 DMA: 08/01/2007</b>
